

ORIGAMI BIRD

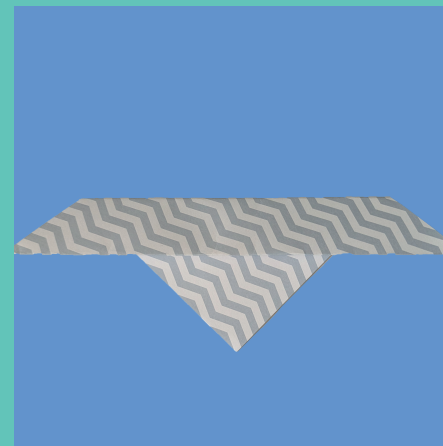

Learn how to fold a beautiful bird with these easy, step-by-step instructions and helpful images.

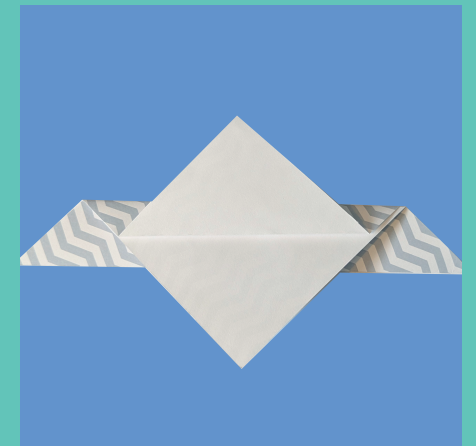

1. Start with a square piece of origami paper. Face the lighter side upwards and move the paper diagonally.

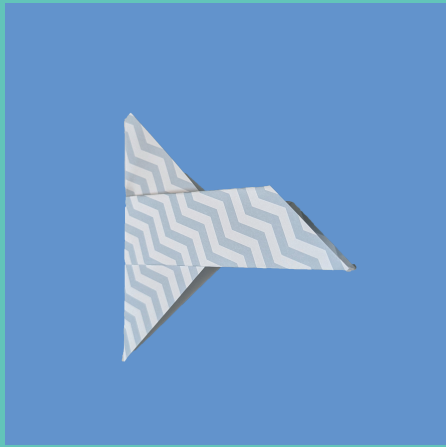

2. Fold the paper in half by folding the top corner to the bottom corner.

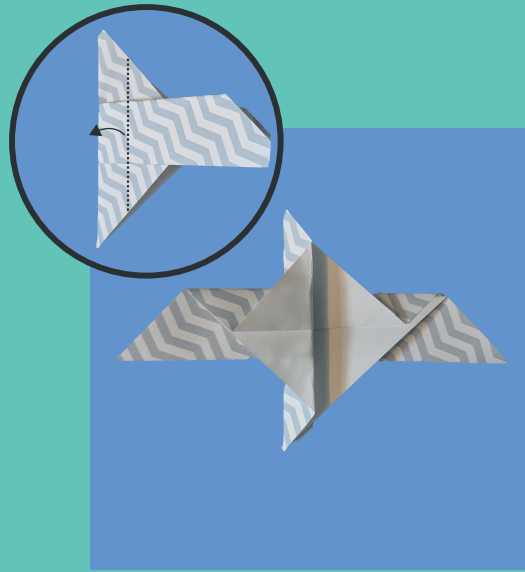

3. Fold part of the top down so that the edge is about halfway down. Turn the paper over.

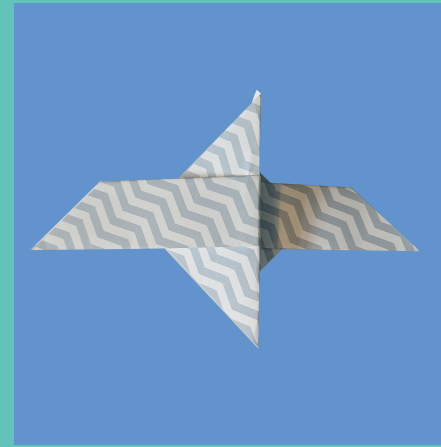

4. Take the bottom corner of the top layer and fold it up like this.

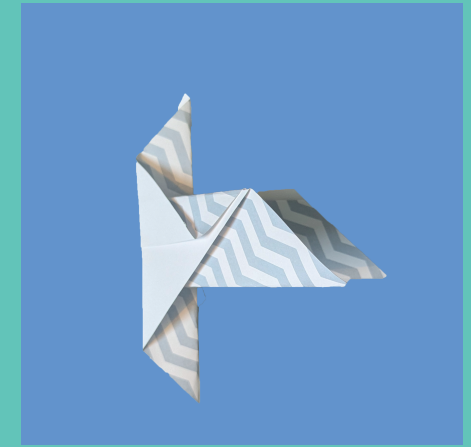

5. Fold the figure in half by folding the left side over to the right.

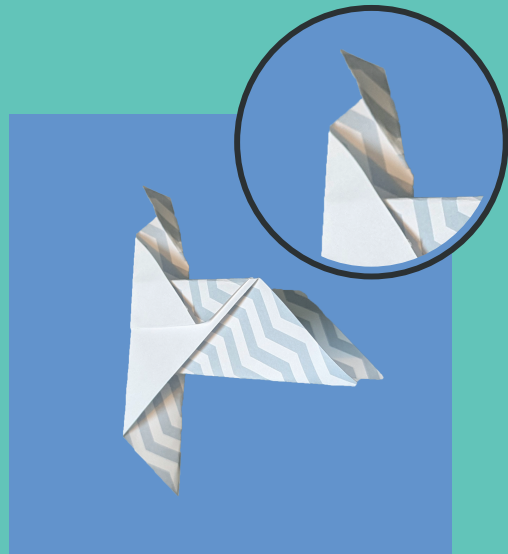

6. Now fold that same flap back like this to make one of the wings.

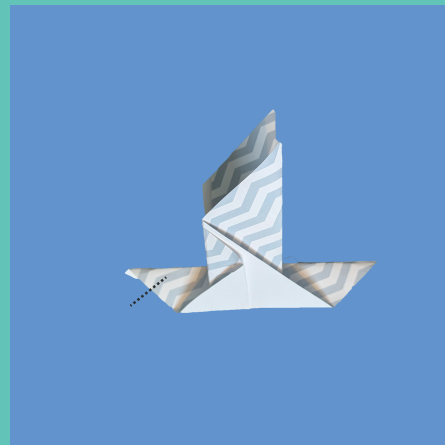

7. Turn the figure over.

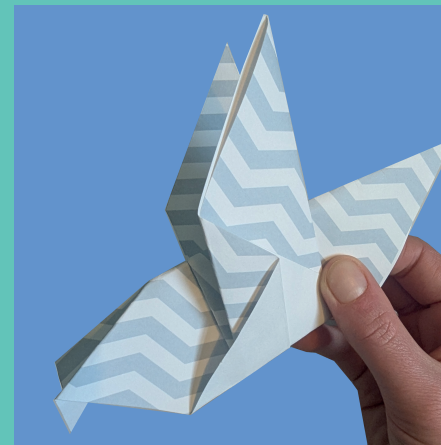

8. Fold the flap back like this to make the other wing.

9. Fold the head as shown. Unfold.

10. Rotate the paper and open the flaps of the head.

11. Push the centre of the head in and flatten. This is called an inside reverse fold.

12. Draw the eyes and tada!
